## ABOUT DIFF

The Dehradun International Film Festival (DIFF) is an idea and a novel concept that was conceived 8 years back, and each year after that DIFF has proven to be the most sought after event in the heart of UTTRAKHAND. Three CONSECUTIVE blockbusters drew Celebrities from Bollywood & Hollywood to the city of Dehradun. Along with these celebrities came flocking the immense hidden talent the State had, be it in terms of films or a theatrical sensation and the packed audience there had the best of both worlds. The fanfare was already ready in abundance. Let's say the very best of the 8th in a row for DIFF. This September 2023, DIFF aims at providing not only a common platform for the cinema world to showcase their best of commercial and art films but also to understand different film cultures across the globe. DIFF intends to lay the foundation stone of friendship among the global filmmakers, become a stupefying partner for new professional filmmakers/amateur filmmakers, provide an ambience for a learning experience for all film lovers and open new horizons for joint ventures.
